# Super Blue RL 18 Truck Wash

## Product Description

Chemtech Super Blue RL18 Truck Wash is easy and safe to use, just foam or spray on, then hose off for a sparkling clean result. The powerful formulation acts fast to remove the toughest grease, grime, red dust, bugs, oil & soot leaving trucks & trailers spotless with minimal streaking. The concentrated gel can be applied through a foam gun or pressure washer, providing excellent coverage & exceptional value for money.

- pH neutral formulation
- Non-toxic, non-caustic, biodegradable and does not contain solvents
- Effectively inhibits rust and corrosion
- Will not cause paint to fade
- Safe to use on aluminium, brass, copper, glass, plastic, rubber, neoprene and vinyl

## Directions for Use

**Manual Washing:** Dilute 1 part RL 18 with 100 parts of clean water, sponge on, allow 3-5 minutes to penetrate soil then rinse with clean water.

**Low Pressure Sprayer:** Dilute 1 part RL 18 with 10 parts clean water, spray onto surface, allow 3-5 minutes to penetrate soil then rinse with clean water. Dilutions may vary depending on the equipment used.

**High Pressure Equipment:** Dilute with up to 200 parts of clean water, spray or foam product onto surface, allow sufficient time for product to work, then pressure rinse with clean water. Dilutions may vary depending on the equipment used.

## Typical Applications

- Transport equipment
- Vehicle exteriors
- Boats and marine equipment
- Windows and building exteriors
- Greasy overalls
