

# Septone Protecta Bodyguard SPF30+

*High Protection Sunscreen with Insect Repellant*

# Septone Protecta Bodyguard SPF30+

## Product Description

Bodyguard is a SPF30+ broad spectrum sunscreen which provides protection against the sun's harmful UVA and UVB rays. It also contains ingredients to repel annoying insects such as mosquitoes and sandflies.

Bodyguard retains its protection for up to 2 hours of water immersion. Bodyguard does NOT contain PABA or Oxybenzone. Regular use of Bodyguard helps to reduce the risk of skin cancer. Bodyguard's easy rub in formula includes the skin conditioners Vitamin E and aloe Vera and conforms to the Australian New Zealand Standard AS/NZS 2604:1998.

## Directions For Use

Apply liberally and evenly to all unprotected areas of the body well before exposure. Re-apply at regular intervals, especially after swimming, towel drying, heavy sweating, exercise or prolonged sun exposure. Warning: May be dangerous, particularly to children, if you use large amounts on the skin, clothes or bedding or on large areas of the body, especially if you keep using it for a long time. Not to be used for any other purpose or in any manner contrary to the label unless authorised. Precaution: Keep out of reach of children. Avoid contact with eyes. If a skin rash develops or irritation occurs, discontinue use. Avoid over exposure to the sun.
