

NEW TRUCKMATE MG700 MUDGUARD

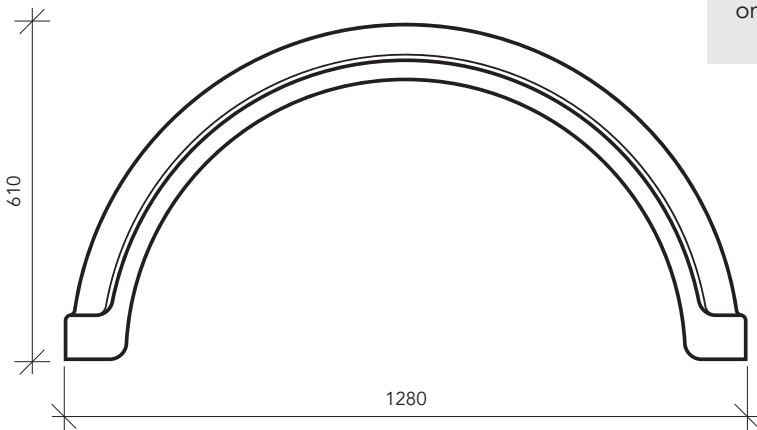

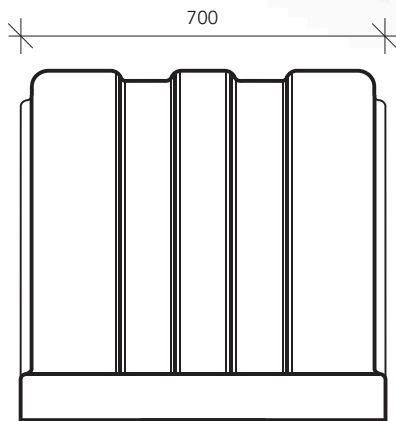

Unique structural ribbing to provide dimensional stability and additional spray suppression

Introducing the only Australian made, injection moulded 700mm wide mudguard

Truckmate® has been proudly manufacturing the industry's most trusted mudguards in Australia for almost 30 years.

Truckmate® – the preferred choice of the world's leading OEM, fleet operators and discerning truck drivers.

Truckmate® truck and trailer mudguards are injection moulded from the highest quality UV-stabilised, impact-modified polypropylene which is 100% recyclable. Built to suit all conditions and applications, Truckmate® mudguards are manufactured with spray suppressant ribbing which also provide dimensional stability.

Available in 12 standard colours; red (R), black (B), white (W), grey (GR), silver (S), yellow (Y), dark blue (DB), light blue (LB), dark green (DG), light green (LG), orange (O) and brown (BR).

Truckmate® mudguard can be badge engineered with your logo
