

CUSTOM MUDFLAPS

AVAILABLE AT

 **TRUCKLINE**[®]

truckline.com.au

Let Truckmate[®] turn your logo into an advertisement for your business with custom designed mudflaps.

Manufactured to the highest standards, Truckmate[®] monogrammed mudflaps can be made-to-order with your branding – in your corporate colours! Truckmate[®] premium injection moulding and printing processes ensure you receive a quality, long-lasting product.

Supply your own artwork or let Truckmate's highly skilled in-house design team create it for you. Set on plain or anti-spray mudflaps, Truckmate[®] monogrammed mudflaps can be customised with your logo, text and border – raised and printed with one or more colours.

Custom colours, multi-coloured logos and screen printing available.

See overleaf for ordering procedure. Speak to your **Truckline Sales Consultant** for more information.

Optional Anti-Spray backing

Ordering procedure

Step 1

Let your **Truckline Sales Consultant** know the mudflap **size and colour** you require.

Monogrammed mudflaps can be made in a range of standard sizes (see below).

Available in **white or black**.

Custom sizes and colours are also available at an additional cost.

Step 2

Your **Truckline Sales Consultant** will provide an email address to send your logo information including:

- high resolution pdf or jpeg of your logo
- Pantone logo colour/s

Step 3

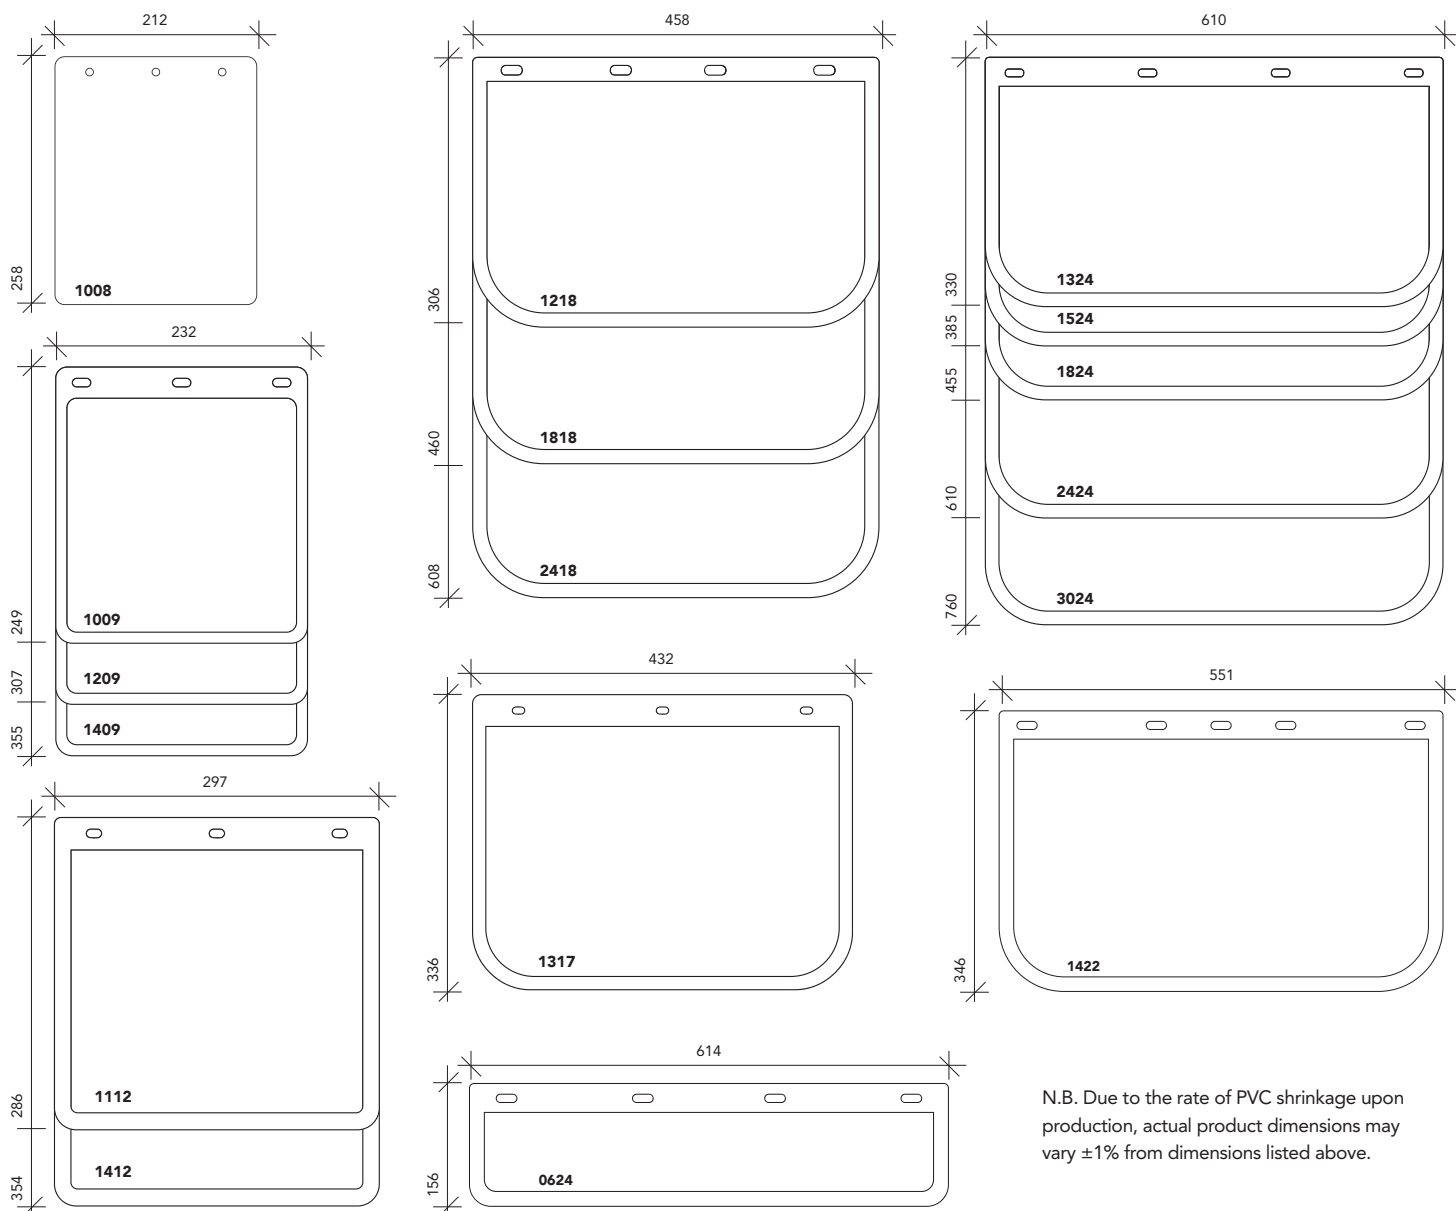

Pricing is provided for your approval based on the number of colours and the mudflap size. Please note, some logos require screen printing in addition to the standard printing process.

Step 4

Mudflap artwork is provided for your approval.

Step 5

Completed monogrammed mudflaps are sent to your Truckline branch (lead time approximately 10-15 working days from artwork approval).

N.B. Due to the rate of PVC shrinkage upon production, actual product dimensions may vary $\pm 1\%$ from dimensions listed above.
